REPORT OF
THE ALBERTA LIQUOR CONTROL BOARD

This Report, which is the thirty-second, submitted by the Alberta Liquor Control Board, covers its operations during the fiscal year which ended on the 31st March, 1956.

The customary financial statements and appendices, which form part of the Report, cover in detail the Board's several activities.

Net income for the fiscal period amounted to $15,821,036.03.

The sale of Permits during the same period realized $237,446.25, and this amount was paid over to the Honourable the Provincial Treasurer, in accordance with the provisions of Section 210 of the Liquor Control Act, and is not included in the financial returns of the Board.

A Statement showing the number and class of each Permit issued during the twelve-month period, April 1st, 1955, to March 31st, 1956, will be found in Appendix "B".

LICENSES

All licenses issued during the fiscal year expired 31st March, 1956.

One distillery and six breweries were licensed, and their operations were conducted in a manner satisfactory to the Board. The premises of these manufacturers were visited at frequent periods by representatives of the Board, and their manufactured products were subjected to continuous inspection and analysis during the year. A high standard of quality has been maintained in all instances.

Beer licenses were issued in respect to four hundred and thirteen hotels. Forty-five of these hotels were sold during the year and new licenses were issued to the purchasers.

The following hotels were destroyed by fire:

Lakeview Hotel — Erskine, Alberta.

Mercoal Hotel — Mercoal, Alberta.

Licenses for these hotels were not replaced.

It is again satisfying to note that prompt action by the licensees and their employees prevented loss of life.

Carelessness in the operation of licensed premises was responsible for penalties by way of suspension of licenses being imposed on fourteen licensees. Five of these were for permitting minors to enter and consume beer on licensed premises. These cases were all thoroughly investigated,

and in each case the Board was satisfied that the licensee or his staff had been negligent in the performance of their duties under the provisions of the Liquor Control Act.

Three suspensions were imposed for failure of the licensees to observe the statutory hours of operation, in making sales of beer during prohibited hours.

One suspension was imposed, where the licensee sold on the licensed premises to an interdict.

Three suspensions were imposed, the licensees concerned failing to maintain their licensed premises in a condition satisfactory to the Board.

Two suspensions were given where licensees had permitted sales on credit terms.

All these suspensions, it is considered, could have been avoided had sufficient control in administration and diligence in carrying out such control been exercised.

Apart from the comparatively small number of licensees who incurred penalties for lax operation, the licensed Hotels throughout the entire Province have given efficeint and satisfactory service to the travelling public. Very important amounts have been expended throughout the year under review in providing more acceptable accommodations and service to guests.

In its policy of endeavouring to improve the standard of accommodations in licensed Hotels throughout the Province, the Board has received the utmost co-operation and assistance from the President and Directors of the Alberta Hotel Association, as well as from the Officers of that organization. The Association, in conjunction with its Scholarship Plan, has maintained a staff whose duties call for full co-operation with the Hotelmen, in an educational way. This method has proved itself to be very effective. To the Officers and Officials of this Association, the Board takes this opportunity of expressing its sincere thanks.

Seventy-nine Club licenses and twenty-six Club liquor licenses were issued.

Clubs receiving Club licenses and Club liquor licenses conducted their premises and operations in a satisfactory manner.

Canteens and Messes operating under direct control of the Armed Forces of the Crown were granted thirty-seven beer licenses and forty-five liquor licenses, and in all instances conducted their premises in a manner satisfactory to the Board.

The statements showing licenses issued and any penalties imposed will be found in Appendix "A".

LAW ENFORCEMENT

The enforcement of the provisions of the Liquor Control Act is entrusted to the Officers of the Royal Canadian Mounted Police, and to the Police Forces of the Cities, Towns and Municipalities throughout the Province. In addition to the strict enforcement of the provisions of the Act, the Board is deeply indebted to the Officers of these Forces for additional co-operation and assistance from time to time, in dealing with the complexities of its administrative duties. To all of them, the Board takes this opportunity of expressing its very grateful appreciation and thanks.

GENERAL REMARKS

Payments to the Dominion Government by the Board and the Brewers of Alberta, during the fiscal year, covering Customs and Excise Duties, Sales Tax, and Taxes on Malt, were in excess of $16,249,200.00.

Vendors at Government Liquor Stores filled fifty-six prescriptions issued by Medical Practitioners during the year.

Permits to the number of two hundred and one were cancelled for cause during the twelve months' period from 1st April, 1955, to the 31st March, 1956, and in addition two hundred and fifty-four were automatically cancelled when the holders were interdicted.

Individual Permit holders made 6,213,727 separate purchases at Government Liquor Stores, at an average for each transaction of $5.71.

Licensee customers made 44,963 separate purchases at Government Liquor Warehouses and Stores.

Cash and trade discounts totalling $24,184.65 were collected by the Board, and this amount is shown on the financial statements which form part of this Report.

Mail order customers received five thousand, four hundred and twenty-five packages by express, at a cost to the Board of $3,674.21 for transportation charges.

In addition to these shipments, the Board forwarded liquor by mail to Permittees who reside at points where express service is not available. One thousand, three hundred and thirty-eight such packages were despatched during the year, at a cost of $962.58 for postage.

As at the 31st March, 1956, the names of one thousand, six hundred and seven persons appeared on the list of interdicts, and during the year, four hundred and forty-one names were added to the list, whilst five hundred and nine names were removed.

Government Liquor Stores and Beer Warehouses sold approximately 13,778,295 gallons of Beer, Ale and Stout during the fiscal year. Of this quantity 13,678,601 gallons were manufactured in the Province of

Alberta, 92,081 gallons were imported from Eastern Canada, and 7,613 gallons were imported from Great Britain.

Contingent liability:

The Board has a contingent liability with respect to non-contributory pensions which may be awarded upon employees reaching retirement age.

Edmonton, Alberta, August 22, 1956

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1956.

Physical inventories of liquor, beer and containers were taken at March 31, 1956, by officials of the Board. Quantities were certified by respective warehouse and store managers. Cost of transferring stocks from warehouses to stores was not included in the inventory valuation. Inventories included goods on consignment amounting to $373,975.85, the corresponding liability being included with accounts payable on the Balance Sheet.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Alberta Liquor Control Board as at March 31, 1956, according to information and explanations given to me and as shown by the books of the Board, and the accompanying Statement of Profit and Loss correctly sets forth the result of operations for the year ended at that date.
